SAFAL (Structured Assessment for Analyzing Learning)

Dear Parents,

We are pleased to inform you that the school will be conducting the CBSE-based SAFAL (Structured Assessment for Analyzing Learning) examination from 17th September to 21st October 2024. This competency-based diagnostic assessment, recommended by the National Education Policy (NEP), will be held for students of Grades 6 and 9 as checkpoint exams, aiming to enhance the quality of education and foster a focus on competency-based learning.

Important Information:

1. Participation in the SAFAL exam is mandatory for all students randomly selected by the CBSE SAFAL examination team.
2. The exam will be conducted online during regular school hours.
3. The SAFAL examination will consist exclusively of Multiple-Choice Questions (MCQs).
4. The SAFAL examination will not be conducted on the days when the students of both grades have the half-yearly exams.
5. Extensive preparation is not required for these exams; however, students are encouraged to review key concepts and topics covered in Grades 5 and 8, depending on their current grade level.

We request your cooperation in ensuring your child's participation and preparation for this assessment.

Warm regards,

Asha Alexander
