'The enchanting World of Mary Poppins'- Grade 4

Dear Parents,

We are excited to announce the Grade 4 Annual Concert, themed **'The enchanting World of Mary Poppins'** where anything is possible and every moment is filled with wonder! Set in London during the Edwardian Age, Mary Poppins with her umbrella in hand and a sparkle in her eye, swoops into the Banks family's lives and shows us that life's greatest treasures aren't found in gold, but in laughter, togetherness, and a sprinkle of charm! She teaches us that while responsibility is important, there's always room for fun and adventure, like jumping into chalk paintings or dancing with chimney sweeps!

But beyond the whimsy, Mary Poppins reminds us to take care of one another and that even small acts of kindness can change the world. So, let's buckle up for a journey of singing, dancing, and discovering what truly matters—the spark that lives in all of us!

This concert provides an opportunity for our students to showcase their talents. We are committed to involving all children either through acting, singing, dancing, or supporting in various scenes.
