CIRCULAR
FIRST LEGO League (FLL)

07 October 2024

Dear Parents,

We are excited to inform you about an incredible opportunity for your child to participate in the **FIRST LEGO League (FLL) competition**—a global robotics program designed to ignite creativity, innovation, and teamwork. The FLL encourages young minds to explore Science, Technology, Engineering, and Mathematics (STEM) through fun and engaging challenges.

This year, we are providing specialized training to prepare students for the competition, running from **October 2024 to February 2025** over a period of four months. The **registration fee will be charged monthly** for the duration of the program as outlined below:

- **1st Month:** 15 October 2024 – 14 November 2024
 - **2nd Month:** 15 November 2024 – 14 December 2024
 - **3rd Month:** 1 January 2025 – 31 January 2025
 - **4th Month:** 1 February 2025 – 28 February 2025
- **For Primary students**, training will be part of our AAA Club, and school transport will be provided based on the **condition that STS buses serve your location**.
- **For Secondary students**, training will be conducted during the Weekend Club on Saturdays and Sundays. Secondary students will need to arrange their **own transport**.

Category	Challenge (Grades 6-9)	Explore (Grades 3-5)
Number of Teams	4	2
Students per Team	10	5
Monthly Fee per Student (AED, incl. VAT)	210	315
Training Timings	7:00 a.m. – 8:30 a.m. (Saturday & Sunday)	1:50 p.m.– 3:20 p.m. (Tuesday & Thursday)

Please note that the last date for registration is **11th October 2024**. The payment for the same must be made through the parent portal. The steps for the registration and payment are appended. Additionally, payments for the following three months must be completed one day prior to the start of the next month's classes via the **Parent Portal**. All those who register will be eligible to participate in the competition. Students will receive expert coaching from our school's dedicated team to prepare for the competition.

This is a fantastic opportunity for your child to enhance their skills, collaborate within a team, and explore the exciting world of robotics! We highly encourage you to inspire your child to participate and demonstrate their potential.

Let's build the future, one brick at a time!

Warm regards,

Asha Alexander
