Onsite Open House & Cross Curricular Exhibition -Grades 6-9

Dear Parent,

We are happy to announce that the Open House for Grades 6 to 9 is scheduled for 25th October 2024, at the GLS Secondary campus.

The Open House is an opportunity for parents to have a discussion with their child's teacher about his/her progress. The teachers will be sharing formative comments detailing the strengths and next steps for your child in all the core subjects. You can access your child's report online on 24th October 2024. However, please note that in case of any outstanding fees (tuition fees, e-resource fees and pending transport fees), the report will be accessible only after all fee dues are cleared.

We have also organized **our Cross Curricular Exhibition** on the same day as the Open House to let you experience the innovative solutions our students have created to exhibit their understanding of the global concerns in connection to the United Nations Sustainable Development Goals. We are proud to present to you the exemplary work done by the students of Grades 6 to 9 using the Problem-Based Learning approach.

Open House and **Cross Curricular Exhibition** have been scheduled for Grades 6 to 9 on 25th October 2024 from 8:00 a.m. – 11:30 a.m. The individual slots for meeting the teachers as well as the details of the exhibition will be shared by your child's class teacher.

Kindly note that the time slots provided by the class teachers will need to be strictly adhered to. In case you wish to discuss any particular issue in detail or have any specific queries you could send an email request to the class teacher or supervisor, and we shall schedule a virtual meeting at another mutually convenient date and time. Please note that the students of Grades 6 to 9 will not have regular classes on 25th October, however, they can be a part of the interactive discussion with their teacher.
