Field trip – Creek Park Bird Show – KG1

Dear Parents,

We are excited to inform you about an upcoming learning adventure for our KG1 students! We have arranged a field trip to **Dubai Creek Park** for an engaging **Bird Show** in **week 4 of October**. This visit will allow our young learners to witness some of the world's most fascinating birds up close.

The Bird Show promises to be captivating, featuring a range of species including sun conures, Amazon parrots, cockatoos, blue and gold macaws, green-winged macaws, hornbills, toucans, falcons, and eclectus parrots. These colorful and intelligent birds will perform charming tricks and showcase their unique talents, proving that 'bird brains' are full of surprises! Some birds have even been trained to fly and interact with the audience, offering a thrilling experience for the students.

To participate in this educational and fun outing, please ensure payment of **AED 40 /-** is made on or before **21st October**. **Please note that the payment is non-refundable**

Please send the following with your child on the day of the trip:

- Water bottle and dry snacks.
- Students must wear a white T-shirt, P.E. pants, comfortable footwear, and carry their bus card.

Further details, including the exact date of the trip for your child's class, will be shared by the class teacher.

We look forward to a fun and educational experience for our young explorers!

Warm regards,

Asha Alexander أشا ألكسندر
