Field Trip- Dubai Butterfly Garden – KG2

Dear Parents,

We are pleased to inform you that the school has organized an exciting educational expedition for our students to visit the Dubai Butterfly Garden. This trip offers a wonderful opportunity for students to explore the beauty of nature while deepening their understanding of the fascinating world of butterflies.

The Butterfly Garden expedition is designed to enrich students' understanding of nature and science. During this trip, students will explore the lifecycle of butterflies and gain hands-on experience in identifying different species. Learn about butterfly habitats, conservation efforts, and the environmental significance of these creatures. Enhance their observational skills and curiosity about the natural world.

The cost of the trip is 75 AED, all-inclusive with a guided tour. Please note that this fee is **non-refundable**. Registration for this trip closes on the 23rd of October 2024. KG2 trips are scheduled between the 28th of October and 5th of November 2024. The class teacher will confirm the exact date of the trip for her respective section.

We look forward to our students experiencing this exciting opportunity!

Warm regards,

Asha Alexander أشا ألكسندر
