---

Dear Parents,

We are thrilled to present the ninth edition of our newsletter for parents-**Insights**. As always, our aim remains steadfast: to nurture a collaborative partnership with you, esteemed parents, in shaping the holistic development of our students.

In this edition, we are focusing on the topic – **‘Conversation that Matters-Safe and Unsafe Touch’**. Teaching children about safe and unsafe touch is an essential part of their personal safety education. The goal is to empower children with the knowledge and tools they need to recognize safe and unsafe touch and to feel confident speaking up about their boundaries. It’s crucial that these conversations are ongoing and adapted as children grow and their understanding evolves.
