**Parental Control on Student Devices (Grades 3 – 5)**

---

Dear Parents,

We are pleased to invite you to an informative workshop on **Parental Control on Children's Devices**, aimed at helping you navigate digital safety and set appropriate boundaries for your child's online usage. The workshop will be conducted by Mr. Murtaza Sinnarwala (Apple Education Manager) from 'Just the Right Solution'.

This session will specifically focus on parental control features for **Apple devices**. However, we understand the need for similar guidance for **Windows users**, and we will be organizing a separate session in the near future.

**Date:** Saturday, 15<sup>th</sup> February 2025

**Time:** 10.00a.m. to 11.00a.m.

**Venue:** GEMS Legacy School Auditorium, Primary campus

**Registration:** First-come, first-served basis (50 seats available)

As seats are limited, registrations will be accepted on a **first-come, first-served** basis. However, based on the feedback from this session, we plan to organize additional workshops in the future. If you are unable to secure a spot this time, rest assured that you will have an opportunity to attend a future session.
